

# Bravo Summer Bridge 2021- USC INI Presentation Webinar

Join the Duncan Lab for a panel on the excitement and process of conducting timely scientific research, hosted by Dr. Michael Sinclair from Francisco Bravo Medical Magnet High School in Los Angeles, CA. An introduction will be given by Dr. Dominique Duncan, followed by lightning talks and Q&A by panelists.

## Azrin Khan

NSF REU Student  
Research at Bravo  
(STAR), Rigorous  
Coursework, and Fun  
Clubs

## Yujia Zhang

Project Assistant  
COVID-19's impact on the  
brain

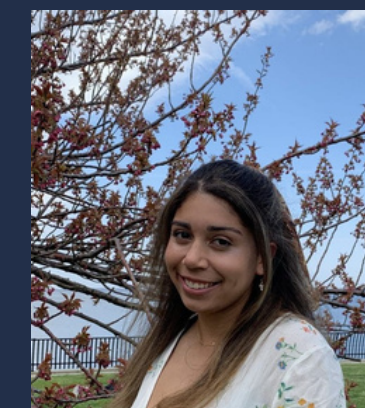

## Akul Sharma

Data Management  
Coordinator  
Biomarkers for Post  
Traumatic Epilepsy

## Dominique Duncan

Principal Investigator

## Alexis Bennett

NSF REU Student  
Balancing Research at  
LONI (EpiBioSRX &  
COVID-ARC), Schoolwork,  
and Extra-Curriculars

## Priyanka Subash

Research Assistant  
Data Archive for the  
BRAIN Initiative (DABI)  
& Practicing Self-Care

## Aksh Garg

NSF REU Student  
Destigmatizing Stress:  
Healthily Managing  
Stress for Focused  
Research and Beyond
